Son of Man. A title of our Lord, found in the Gospels about 80 times, used by Him in speaking of Himself but never used by anyone else in speaking of Him, though we see from Acts 7:56 that Christians did apply it to Him soon after His Ascension. In the Old Testament the expression “son of man” is frequently used to denote simply “a man” (Num. 23:19; Job 25:6; Ps. 8:4; 80:17). The expression is found 90 times in the book of Ezekiel, where the Lord uses the term for the prophet. The main ideas that probably underlie the title as applied to our Lord are (1) lowliness, humility, and suffering. This son of man, above all else, is a heavenly figure. It emphasizes the origin, majesty, and dignity of this ruler who will rule over all things forevermore. When Jesus calls Himself the “Son of Man,” He is identifying Himself with this heavenly figure from the book of Daniel. We know this to be the case from passages like Mark 13:26 in which Jesus speaks of His coming on the clouds just as the Daniel 7 passage refers to the “son of man.” When Jesus calls Himself the “Son of Man,” He emphasizes His heavenly origin. Moreover, when Jesus calls Himself the “Son of Man” we know that He is the Kin. Give books away. Get books you want. Jesus the Son of Man. 1995 · 3.99 · 1,236 Ratings · 216 Pages. Neither God Nor Man is a new and revised expansion of that work. The product The BLOOD Of Jesus Christ by Smith Wigglesworth: Revelation of the Blood of Jesus Christ. The Son of Man is a nonfiction book by Indian author Andrew Harvey, published in 1998. The book offers a model for “the authentic full-grown Christ-consciousness,” which the author believes has been obscured for two millennia by a Christianity “full of weakness and mistakes and not a full-grown Christianity springing from the spirit of Jesus.” Contents. 1 The Historical Christ. His human Son of Man turns out to be as infallible as the divine Son of God. As a result, this book is inspiration for those who are mainly interested in the mystical aspects of Christ and can be commended for some inspiring interpretations of Jesus’ original teachings. Jesus as Evolved Mystic. According to Harvey [2].
