'It's the most magical book I have ever read. I think Marquez has influenced the world' Carolina Herrera. 'A masterpiece and one of the undeniable classics of the century' The Times Educational Supplement. 'A tour de force. Enchanting' The Times Literary Supplement. He explored every inch of the region, even the riverbed, dragging the two iron ingots along and reciting Melquiades' incantation aloud. The only thing he succeeded in doing was to unearth a suit of fifteenth-century armor which had all of its pieces soldered together with rust and inside of which there was the hollow resonance of an enormous stone-filled gourd. Within a few years Macondo was a village that was more orderly and hard-working than any known until then by its three hundred inhabitants. See more about this book on Archive.org.
