Little Quick Fix titles provide quick but authoritative answers to the problems, hurdles, and assessment points students face in the research course, project proposal or design—whatever their methods learning is. Lively, ultra-modern design; full-colour, each page a tailored design. An hour's read. Easy to dip in and out of with clear navigation enables the reader to find what she needs—quick. Direct written style gets to the point with clear language. Nothing needs to be read twice. No fluff. Learning is reinforced through a 2-minute overview summary; 3-second summaries with super-quick Little Quick Fix (LQF) books are brief, inexpensive books that tackle specific areas of your research project or dissertation. LQFs help you learn, re-learn or revise key research skills, answering questions such as: How do I get started with my research project? How do I run a survey? So having this book (and the Little Quick Fix: Research Question) available was super helpful. It really helps you get over that initial "What the heck am I even going to DO?!?!" Amazon Reviewer. SAGE Campus courses: The following online courses are inspired by the Little Quick Fix books: Research Question, Research Proposal, Present Your Research from Zina O'Leary. Statistical Significance & See Numbers in Data from John MacInnes. Gather Your Data Online from Janet Salmons. Present Your Research book. Read reviews from world's largest community for readers. When it comes to presenting research there's the good, the bad, and ...Â Little Quick Fix titles provide quick but authoritative answers to the problems, hurdles, and assessment points students face in the research course, project proposal, or design whatever their methods learning is.
