Political deadlocks and nearly failed treaty ratifications, finally culminating in an unprecedented crisis due to the no-votes on the Draft Constitutional Treaty in France and the Netherlands, have made many seriously question the entire project of European integration. However, this has not been brought about by the latest failed referenda only. In fact, discussions about the feasibility of the process and its very nature have been occurring on and off. Therein, the notion of the democratic deficit has increasingly gained awareness. This is mainly about the way policy making in the EU which is all but transparent is conducted. Some critics regard the arguably restricted access of average citizens to the European legislator as decisive for the future of the Union at large. Indeed, the EU generally suffers...

Supporting democracy worldwide is a priority for the European Union. Democracy remains the only system of governance in which people can fully realise their human rights, and is a determining factor for development and long-term stability. As the only directly elected EU institution, the European Parliament is particularly committed to promoting democracy. Legal basis. Articles 2 and 21 of the Treaty on European Union (TEU); Article 205 of the Treaty on the Functioning of the European Union (TFEU).Â On 17 November 2009, the Council adopted conclusions on Democracy Support in the EU’s External Relations, which outlined a new strategy for supporting democracy by means of a country-specific approach, greater coherence and the involvement of all stakeholders. Direct democracy or pure democracy is a form of democracy in which people decide on policy initiatives directly. This differs from the majority of currently established democracies, which are representative democracies. The theory and practice of direct democracy and participation as its common characteristic was the core of work of many theorists, philosophers, politicians, and social critics, among whom the most important is Jean Jacques Rousseau, John Stuart Mill, and G.D.H. Cole.
