Drawing & Painting Trees in the Landscape features Claudia’s best tips and techniques for painting trees of all kinds in their natural settings—from the majesty of mountain evergreens to the delicate pink blossoms of cherry trees in spring. With her inspiring artistic style and in-depth visual instruction, Claudia starts with the basics, showing you how to break down reference photos and. Landscape painting, also known as landscape art, is the depiction of natural scenery such as mountains, valleys, trees, rivers, and forests, especially where the main subject is a wide view with its elements arranged into a coherent composition. In other works, landscape backgrounds for figures can still form an important part of the work. Sky is almost always included in the view, and weather is often an element of the composition. Detailed landscapes as a distinct subject are not found in all.
