The second edition of The Heart and Soul of Change also demonstrates the power of systematic client feedback to improve effectiveness and efficiency and legitimize psychotherapy services to third party payers. In this way, psychotherapy is implemented one person at a time, based on that unique individual's perceptions of the progress and fit of the therapy and therapist. Readers familiar with the first edition will encounter the same pragmatic focus but with a larger breadth of coverage—this edition adds chapters on both youth psychotherapy and substance abuse treatment. Author: Duncan, Barry L. The Heart and Soul of Change. Product Detail. Binding: HRD. Offers practical guidance on how a therapist can truly 'deliver what works in therapy'. This title examines the common factors underlying effective psychotherapy and brings the psychotherapist and the client-therapist relationship back into focus as key determinants of psychotherapy outcome. Product Identifiers. The editors of this second edition have created a new and enriched volume that presents the most recent research on what works in therapeutic practice, a thorough analysis of this research, and practical guidance on how a therapist can truly "deliver what works in therapy." It examines the common factors underlying effective psychotherapy and brings the psychotherapist and the client-therapist relationship back into focus as key determinants of psychotherapy outcome. Ten years ago, the first edition of The Heart and Soul of Change was published. Then, as now, the practice environment was undergoing rapid and dramatic change, much of it decidedly hostile to the interests of therapists and equally inimical to clients.
Psychotherapy Integration Unit 2: Common Factors. 2 The Research Evidence for Common Factor Models The following PowerPoints from Chapter 2 of the Duncan text will cover: I. A Brief History of Psychotherapy II. II. Psychotherapy Evidence for Specific Ingredients Does Psychotherapy Work? â€” YES! i. Rigorous clinical i. History of benefits in naturalistic settings i. Many studies on many forms of psychotherapy show that in general, psychotherapy does work. Are Some Psychotherapies More Effective Than Others? - Maybe? According to this second edition of the renowned Heart & Soul of Change, itâ€™s time to move on from common factors vs. specific factors, and itâ€™s time that arguments over the benefits of specific therapeutic approaches be put to bed forever. Is the field ready to move on? Rating: 4. The Heart & Soul of Change: Delivering What Works in Therapy. Edited by Barry L. Duncan, Scott D. Miller, Bruce E. Wampold, Mark A. Hubble, 2010. ISBN 9781433807091. (See the lengthy review â€œHubble, Duncan and Miller on What Works in Therapyâ€) I was not alone in finding that first volume to be superlative: the book won the Menninger Foundation award for scientific writing, it became a bestseller for APA Books, and it was positively reviewed by clinicians and researchers alike. The second edition of The Heart and Soul of Change also demonstrates the power of systematic client feedback to improve effectiveness and efficiency and legitimize psychotherapy services to third party payers. In this way, psychotherapy is implemented one person at a time, based on that unique individual's perceptions of the progress and fit of the therapy and therapist. Â Relationship, relationship! Great book that reinforces the common factors of therapy and importance of continually checking in with the client. With all the push for EST or EBP, the authors remind us what the research proves over and over again-Relationship and Client factors are what bring about change. flag 1 like Â· Like Â· see review. Dec 15, 2017 Michelle rated it it was amazing.
