Let us know what’s wrong with this preview of Spirituality in Educational Leadership by Paul D. Houston. Problem: It’s the wrong book. Educational Leadership is a major research book on contemporary leadership challenges for educational leaders. In this groundbreaking new work, educational leaders in schools, including teachers, are provided with ways of analysing and resolving common but complex leadership challenges. Ethical tensions inherent in these challenges are identified; tools for their analysis presented and explained; and clear and practitioner-focused guidelines for ethical decision making, in the form of ten practical steps, recommended.
