Words of Fire. An Anthology of African-American Feminist Thought. Edited by: Beverly Guy-Sheftall. The first major anthology to trace the development, from the early 1800s to the present, of black feminist thought in the United States, Words of Fire is Beverly Guy-Sheftall’s comprehensive collection of writings, in the feminist tradition, of more than sixty African American women. From the pioneering work of abolitionist Maria Miller Stewart and anti-lynching crusader Ida Wells-Barnett to the writings of contemporary feminist critics Michele Wallace and bell hooks, black women have been writing about the multiple jeopardies—racism, sexism, and classicism—that have made it imperative for them Buy a cheap copy of Words of Fire: An Anthology of book. In this groundbreaking collection of articles, Dr. Guy-Sheftall has taken us from the early 1850s to contemporary times. Only since the seventies have black women Free shipping over $10. A foundational work in black feminist thought, this is a must-read for everyone who thinks about the ways in which race, class, and gender come together -- and for those who don't. Tremendously important book. Published by Thriftbooks.com User , 16 years ago. I first read this book in a Women's Studies class at the University of Washington. It was one of the several phenomenal books we were required to study during the course of the quarter.
